Though Ray can't be with us, he will certainly be joining us in spirit as the Ray Korona Band and special guests perform Ray's songs of love, peace, social justice, environmental healing, dignity and empowerment. Ray's songs are funny, poignant, hard-hitting, joyous, and sometimes quirky — just too good to be left unsung! Hear some of these songs and find out more about Ray by visiting his website: raykorona.com.

This date was originally booked as the Ray Korona Band's annual evening at the Café, but we are turning the event into a broader community celebration of his music. The Band — **Ivice**, **Barry Kornhauser**, **Ellen Davidson** and **Gina Tlamsa**, augmented by **Rick Ulfik**, **Ben Silver** and **Laura Liben** — will present a number of Ray's songs. These will be interspersed with performances by guest artists: **Jay Mankita**, **Mercy Van Vlack**, **Adele Rolider**, the **NYC Metro Raging Grannies**, **Lisa Garrison**, **Sharleen Leahey**, **Lydia Adams Davis**, **Anne Price**, and **Jim Gahn**. They are all performers Ray would be proud to have on stage representing him!

Please join us in keeping Ray's music alive tonight and further down the road!
